

UNIMORE
UNIVERSITÀ DEGLI STUDI DI
MODENA E REGGIO EMILIA

International Doctorate in
Information and Communication Technologies

The PhD Program

Qualifications that signify completion of the third cycle are awarded to students who:

- Have demonstrated a **systematic understanding** of a field of study and **mastery of the skills and methods** of research associated with that field.
- Have demonstrated the **ability to conceive, design, implement and adapt** a substantial process of research with **scholarly integrity**.
- Have **made a contribution** through **original research** that extends the frontier of knowledge by developing a substantial body of work, some of which merits national or international **refereed publication**.
- Are capable of **critical analysis**, evaluation and synthesis of new and complex ideas.
- Can **communicate with their peers**, the **larger scholarly community** and with **society in general** about their areas of expertise.
- Can be expected to be able to **promote**, within academic and professional contexts, technological, social or cultural **advancement in a knowledge based society**.
